amount of \$130.00 for the surcharge under 37 CFR 1.492(e). The enclosed copies of the declaration are identical except that one copy includes a certification thereon that it is a complete and exact copy of the original (i.e., true copy) and the other is a clean copy of the original.

Applicant's attorney wishes to point out that the original declaration was included with the application at the time of filing the application on April 28, 2000, at 6:26 p.m. Applicant's attorney has reviewed the file to determine if the original declaration could have been retained, but the original declaration is not in the file and, since the applicant's attorney reviewed the contents of the Express Mail packet before sealing the Express Mail packet, he believes the original declaration was transmitted to the Patent Office at the time of filing the application. In support of this statement, true copies of page 1 of the transmittal letter, of the certificate of mailing, and of the declaration of mailing, which was filled out promptly after depositing the application papers with the U.S. Post Office are enclosed herewith. Therefore, a request is hereby made for a refund of the \$130.00 for the surcharge under 37 CFR 1.492(e). Please forward the refund to the undersigned.

Respectfully submitted,
